Dear Ms. Hayden:

Re: Donation to College Fund for Nathan Glazer in Memory of Edmund Glazer.

Enclosed is a cheque for US\$100 to be applied to Nathan Glazer's college fund in memory of his father, Edmund. This is a little late in arriving, as it was actually collected at a small gathering of ex-Northern Rhodesians (where Edmund was born) in the United Kingdom on September 15th, 2001. Three people from North America (of which I was one) had booked to attend that gathering but did not make it because of the airspace restrictions and subsequent flight disruptions in effect at the time.

The Great North Road is the Web site that brings these Northern Rhodesians together. Edmund was a member of the site, as are his sister and one of his brothers. There has been a memorial page on our site since September 11th, 2001, at http://www.greatnorthroad.org/911_tribute.shtml.

Our thoughts and sympathies continue to be with Candy, Nathan, and the rest of Edmund's family, friends and co-workers.

Yours sincerely,

Craig Hartnett (Mr.)
